

Guide to Legal Services

haart

“... let's talk legal”

At haart we help our customers buy and sell thousands of properties a year and time after time unnecessary delays are avoided with some simple steps to prepare your home for what happens when we have found you a buyer or you find your perfect property.

We ensure your move can progress without unnecessary delay by arranging a solicitor to act on your behalf early in the process. If we are marketing your property, showing prospective buyers round and negotiating the best price on your behalf, you can relax in the knowledge that your solicitor is carrying out the basic legal work for you in readiness for when a sale is agreed.

We have forged close relationships with some of the best law firms in the country and this means our clients benefit from;

- ✓ No sale, no fee – If you don't move you have no fees to pay
- ✓ Fixed price – The figure we quote is the figure you pay, no extras, no surprises and easy to plan the cost of your move
- ✓ Great service – Our legal partners have dedicated teams just for haart clients
- ✓ One stop shop – These solicitors are our colleagues, we work as a team with them to get you moved

It couldn't be easier, ask your haart office for a quote (we can also deal with your related transaction, even if you don't buy through us) and we can instruct your solicitor today.
